

TRUCKS AND BUSES

ASSURANCE OF SUPERIOR SAFETY.

Eicher Skyline School Buses
42 to 60 Seater Buses

EUTECH 6

EUTECH 6

Eicher is creating a new benchmark in the Indian commercial vehicle industry, through a revolutionary BSVI solution that combines global technology with innovative support services. This solution not only makes your vehicle BSVI compliant but also ensures higher productivity of the bus and profitability of your business.

Euro VI Expertise for 6 years

VECV has been manufacturing and supplying base engines to the Volvo Group since 2013. Over 1,00,000 Euro VI base engines supplied, operating in 41 countries. First to roll out BSVI CV range in India, incorporating expertise of Euro VI technology.

Efficient EATS and engine technology

Best fluid economy: Lower fuel consumption + DEF consumption combined. Reliable EATS + engine technology tested for over 56,00,000 km. Duty cycle based SCR for high reliability & low maintenance.

Enhanced UPTIME

Eicher Uptime Centre for 24x7 support by specialists. GPS enabled service vans just a phone call away. Remote diagnostics for quick repair of BSVI vehicles.

High Performance Engine

The Skyline range is powered by Eicher's next-generation E474 and E494 engines, which offer the dual benefits of higher power and high fuel efficiency. The flat torque curve ensures smoother drives with less gear shifts. Leveraging Eicher's Euro VI experience, these new engines are designed to be lightweight, silent, powerful and efficient.

FUEL EFFICIENT E474 ENGINE : 4 CYLINDER, 4 VALVE, 3 LITRES CRS ENGINE

The all new **SKYLINE** is completely revamped with distinctively premium looks, wide bus body, silent and grease-free parabolic suspension and radial tubeless tyres. Skyline school buses offer the right blend of safety, comfort and performance to ensure safe and comfortable journey of the students. BSVI Skyline range is driven by state-of-the-art E474 and E494 engines which provide a powerful performance. Superior fuel efficiency coupled with lower maintenance cost leads to high profitability of the range of school buses.

Benchmark of Safety.

Low step height and aisle side grab handles are provided for ease of boarding and movement in the bus. Window guard rails, anti-slip flooring in passenger area & step-well, peep window and seat back handles provide uncompromised safety. The buses are equipped with emergency exits and FDSS to ensure safety in emergency situations.

Window Guard Rails

Low Step Height and Anti-slip Aluminum Flooring

Fire Detection and Suppression System (FDSS)

Anti-roll Bar

Intelligent Driver Information System

Next-gen Features.

Eicher Live lets you track your vehicle and glance at vital performance parameters at the touch of a button. Fuel coaching and Mbooster+ encourage and enable the driver to operate the bus in the most fuel efficient manner. The Intelligent Driver Information System keeps the driver informed of all the key parameters through an easy to read display and tell-tales.

Eicher Live

Comfort & Convenience.

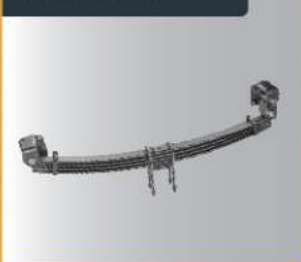

Skyline school buses offer wide and comfortable seats, silent parabolic suspensions and tubeless tyres for superior ride-comfort. Under-seat bag trays, bottle hangers and hatracks provide convenient storage for all school necessities. The complete school range is available with AC option, making the Skyline School range the best transport solution for students.

AC Bus Range

Enhanced Suspension

Convenient Storage

Domex® Chassis

Reliable & Strong.

Eicher's all new E474 engine delivers high power and torque while remaining true to the promise of best-in-class fuel efficiency. The Skyline range comes with the highly reliable Domex® chassis, corrosion-free HDPE DEF tank and grease-free parabolic suspensions.

Next-gen Engines

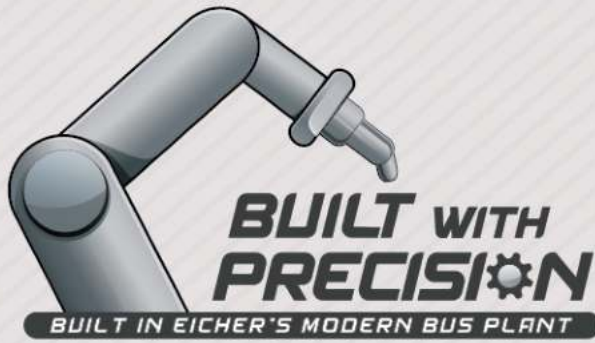

HDPE DEF Tank

Reliable Driveline

We manufacture buses with a high level of precision by using advanced technology like panel fits, inverter-based welding, shower testing, robotic painting and pneumatic grippers in our modern bus plant to deliver superior build quality.

Lifetime Support Solutions.

With our Lifetime Support Solutions, we ensure a seamless and hassle-free experience from the time you consider buying an Eicher vehicle to the time you think of selling it. Our continuously improving and holistic services will ensure higher uptime and productivity for your BSVI vehicles.

*Pro-Pilot, Eicher Sure and Eicher Container set-up is not available for Eicher Bus range

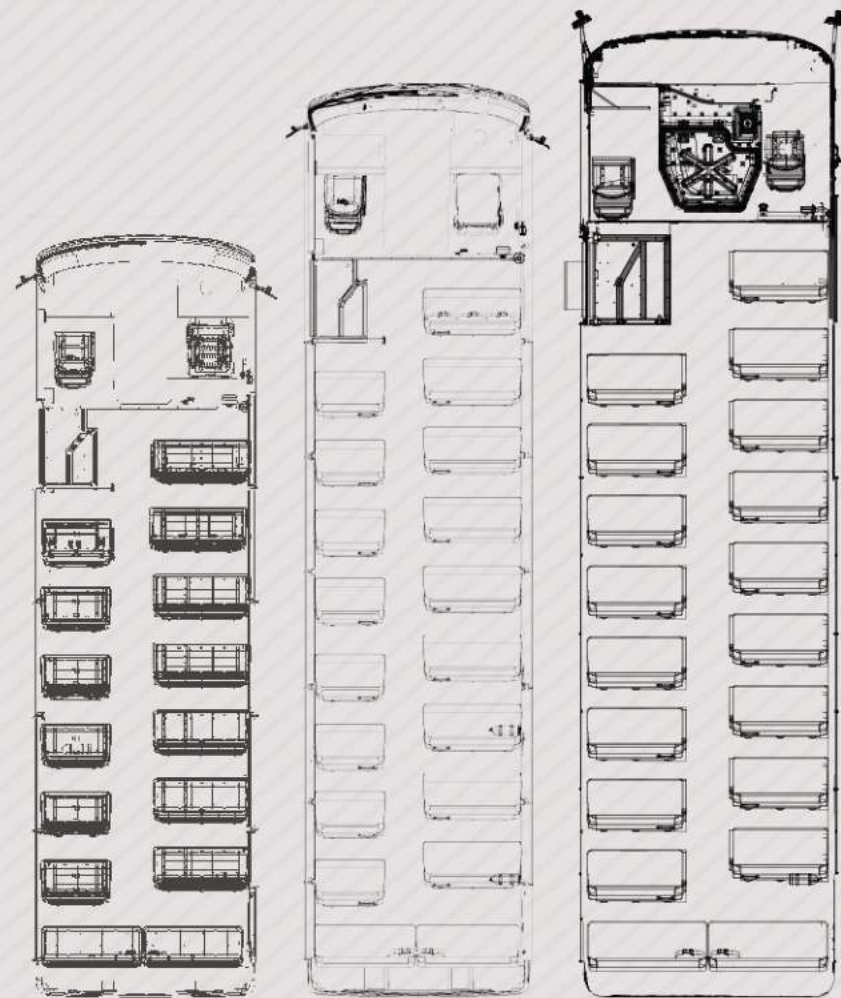

Eicher has taken a step towards achieving Superior Uptime with a responsive attitude, that will set us apart and create a differentiated experience for our customers. With our new Uptime Center and Uptime Certified Workshops, we are now geared up with a proactive support system for diagnostic assistance with advanced diagnostic tools.

At Uptime Certified Workshops only
